MONCLER X PALM ANGELS

Nostalgia meets adrenalin in a high-octane new collection, infused with the energy and glamor of retro car racing

Francesco Ragazzi's vision for a racing-inspired collection was first unveiled in the Palm Angels neighborhood at The City of Genius event in Shanghai, held in October. In homage to the vintage glamor that surrounds Formula 1, a space 'where retro racing goes full circle' featured a palm-lined racetrack, recreating the roar of engines in a dynamic immersive environment. The high-octane dreamscape blended 70s racing nostalgia and SoCal allure to create the ultimate showcase of Moncler x Palm Angels.

The collection fuses racing-tuned Italianate flair and collegiate Americana signatures with Moncler outdoor technicality, riffing on the brand's iconic outerwear.

Vintage iconography prevails in the application of graphic logos, checkered motifs and embroidered patches, in addition to the exclusive palm tree remix of Moncler's iconic logo. Trademark sporty dual bands reinforce the design codes of Palm Angels.

The classic slim-fitting 70s tracksuit gets a fresh spin – badged, with striped accents, and graphic t-shirts, hoodies, and accessories complete the uniform for life in the Palm Angels fast lane.

Francesco Ragazzi and Palm Angels have been part of the Moncler Genius roster from the very beginning. The collaboration has evolved and deepened significantly over the years, bringing Palm Angels' love for the iconography of Americana and the charm of vintage sports closer to Moncler's heritage, technical expertise, and global impact.

Moncler x Palm Angels is available now in select Moncler and Palm Angels stores and on moncler.com and palmangels.com.
