

H1 2022 FINANCIAL RESULTS

MONCLER
GROUP

*“This year marks two important anniversaries:
70 years for Moncler and 40 years
for Stone Island, which we are preparing to
celebrate in the upcoming months, aware that
there is no future without a past but the past
alone is not enough to ensure a bright future.”*

This presentation is being furnished to you solely for your information and may not be reproduced or redistributed to any other person.

This presentation might contain certain forward-looking statements that reflect the Company's management's current views with respect to future events and financial and operational performance of the Company and its subsidiaries.

These forward-looking statements are based on Moncler's current expectations and projections about future events. Because these forward-looking statements are subject to risks and uncertainties, actual future results or performance may differ materially from those expressed in or implied by these statements due to any number of different factors, many of which are beyond the ability of Moncler to control or estimate. You are cautioned not to place undue reliance on the forward-looking statements contained herein, which are made only as of the date of this presentation. Moncler does not undertake any obligation to publicly release any updates or revisions to any forward-looking statements to reflect events or circumstances after the date of this presentation.

Any reference to past performance or trends or activities of Moncler shall not be taken as a representation or indication that such performance, trends or activities will continue in the future.

This presentation does not constitute an offer to sell or the solicitation of an offer to buy the Group's securities, nor shall the document form the basis of or be relied on in connection with any contract or investment decision relating thereto, or constitute a recommendation regarding the securities of Moncler.

Moncler's securities referred to in this document have not been and will not be registered under the U.S. Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Luciano Santel, the Manager in charge of preparing the corporate accounting documents, declares that, pursuant to art. 154-bis, paragraph 2, of the Legislative Decree no. 58 of February 24, 1998, the accounting information contained herein correspond to document results, books and accounting records.
